

First Advantage Tax Credit Solution

Optimize Candidate Experience While Maximizing Credit:

- Integrated with many applicant tracking systems
- Capture all information for background check and tax credits in one go
- Background check is launched prior to tax questions to reduce turnaround time
- Best in class, mobile optimized user experience
- Screen candidates for Federal WOTC eligibility AND 15 State incentives at the same time
- Electronic signature eliminates the risk of missed or late tax forms
- Minimizes collection and transfer of PII
- Conditional questioning means the tax process takes 30-90 seconds to complete

Maximize credit capture while offering candidates a quick, painless interactive experience

Data collected during the background screening authorization will transfer to the tax experience so personal information will not be collected twice

First Advantage Experience:

- ✓ No implementation or activation fee
- ✓ Three tax professionals dedicated to each customer
- ✓ You don't get billed until actual credit is earned and calculated
- ✓ You don't pay for screenings or certifications that don't result in credit
